

SECTION 135 ELECTRICITY ACT — COMPILATION DIGEST · CASES 001–011

Comparative Facts Matrix

Generic, case-stripped facts for side-by-side comparison

One row per case, case-specific detail stripped to comparable descriptors so patterns across Cases 001–011 stand out (consumer type, mode of theft, meter status, load, assessed value, witnesses, defence, outcome). All 11 convicted. 65B cert. “No*” = videography admitted without a certificate under the waived-objection rule in *Sonu @ Amar*.
