Hon'ble Rakesh Tiwari,J.

Hon'ble Yashwant Varma,J.

The petitioner is aggrieved by the action of the respondent who has disconnected the electricity supply from the transformer earlier supplying electricity and is now being supplied electricity from a different and separate transformer. According to the petitioner, because of this action the supply of the electricity to the villagers at large is being affected and has become irregular.

We are of the opinion that in case the petitioner has a grievance in respect to the supply of electricity he has remedy of approaching a special forum namely Ombudsman/Consumer Dispute Redressal Forum created in terms of Clause 7.10 of the U.P. Electricity Supply Code, 2005 for redress.

In light of the above, this writ petition is disposed of granting liberty to the petitioner to ventilate his grievance before the Ombudsman/Consumer Dispute Redressal Forum created in terms of Clause 7.10 referred to above.

It shall be open for the petitioner to raise all his grievances before the said authority for redress. It is further directed that the Ombudsman/Consumer Dispute Redressal Forum may look into the complaint, if so made by the petitioner and decide the same by means of a reasoned and speaking order.
