Hon'ble Satya Poot Mehrotra, J.

Hon'ble Het Singh Yadav, J.

Sri Mayank Agarwal, learned counsel for the petitioner states that the New Tariff for the financial year 2012-13 (hereinafter also referred to as "the New Tariff") was got published by the U.P. Power Corporation Ltd. in the newspaper on 23rd October, 2012. However, the New Tariff has been made effective w.e.f. 1st October, 2012. Copy of the Public Notice has been filed as Annexure -3 to the Writ Petition.

Sri Mayank Agarwal submits that it was not open to the U.P. Power Corporation Ltd. to give retrospective effect to the New Tariff. He states that the petitioner is not disputing the validity of the New Tariff as determined by the U.P. Electricity Regulatory Commission, and the petitioner is aggrieved only on account of retrospective effect being given to the New Tariff w.e.f. 1st October, 2012.

Sri Agarwal refers to the provisions of Clause (2) of Regulation 139 of the Uttar Pradesh Electricity Regulatory Commission (Conduct of Business) Regulations, 2004. It is pointed out that under Clause (2) of Regulation 139 of the said Regulations, the tariffs "shall come into force after seven days from the last date of such publication of the tariffs".

Sri Agarwal refers the provisions of sub-section (7) of Section 24 of the U.P. Electricity Reforms Act, 1999 and submits that in view of the said provision, the tariffs "shall come into force after seven days from the last date of such publication" of the tariffs.

Sri Agarwal further refers to Clause 3.8 of the U.P. Electricity Supply Code, 2005. It is submitted that sub-clause (a) of Clause 3.8 again provides that tariffs "shall take effect only after seven days from the date of publication" of the tariffs.

It is further submitted that in view of sub-section (6) of Section 62 of the Electricity Act, 2003, it is not open to licensee to recover the tariff in excess of that determined under Section 62.

In the present case, the submission proceeds, the publication was done on 23rd October, 2012, and therefore, New Tariff could come into effect on 31st October, 2012. The New Tariff could not be given effect to retrospectively w.e.f. 1st October, 2012.
