HEADNOTE

A billing-dispute writ seeking consideration of a clause 6.5(b) objection and restoration of supply was disposed of without a merits finding. Subject to the consumer depositing the amount contemplated by clause 6.5(b) of the U.P. Electricity Supply Code, 2005, the competent authority was directed to consider and decide the objection or complaint within six weeks of the deposit.

FACTUAL SUMMARY

Smt. Badam Shree sought a mandamus that the competent authority consider and decide her complaint under clause 6.5(b) of the U.P. Electricity Supply Code, 2005. She offered to deposit the amount contemplated by that clause within a week and also asked that her electricity connection be restored. The first Division Bench recorded that the petition was a billing dispute, not a recovery proceeding, and directed listing before the appropriate Bench, which then heard the matter.
