

Nagendra Singh Gautam & 2 Others v. State of U.P. & 3 Others

Allahabad High Court · Division Bench · 27 May 2026 · Writ - C No. 16381 of 2026 · **Companion writ detached to Single Judge; listed 3 July 2026 as fresh**

HEADNOTE

On a writ claiming connection charges at Rs. 35 per square foot rather than the later Rs. 70 rate, the Division Bench held that a companion writ by the supply company challenging a Permanent Lok Adalat award could not be tagged because it was pending before a learned Single Judge, and directed that file be detached and placed before that Judge. Counsel for the company invoked the U.P. Electricity Supply Code, 2005, but could not identify the clause from the 2025 publication. The company is to show it informed the petitioners of the connection charge after 4 February 2024 and before February 2025; if it does, the enhanced rate applies, otherwise only the earlier rate. Listed 3 July 2026 as fresh.

FACTUAL SUMMARY

Nagendra Singh Gautam and two others applied to Kanpur Electricity Supply Company for a connection on 4 September 2024, when charges were Rs. 35 per square foot. The rate rose to Rs. 70 in February 2025. They say the company sat on the application and then demanded the enhanced rate. The company's writ to quash a Permanent Lok Adalat, Kanpur Nagar award of 19 May 2025 (case no. 5 of 2025) was dismissed for default, restored, and is pending before a Single Judge.
