High Court of Judicature at Allahabad · Division Bench · 1 May 2026 · Writ-C No. 16897 of 2026 · **Writ disposed of; petitioner relegated to a fresh Clause 6.5 representation before the Executive Engineer.**

HEADNOTE

Where a consumer seeks writ relief to correct a disputed electricity bill and restore supply disconnected for non-payment, and the licensee raises — and the consumer does not dispute — the alternative remedy under Clause 6.5 of the U.P. Electricity Supply Code, 2005, the High Court will not decide the billing dispute. The petition is disposed of permitting a fresh representation to the Executive Engineer, to be decided strictly in accordance with law.

FACTUAL SUMMARY

Mohd. Ibrahim Khan sought a mandamus to correct the bill and arrears on connection no. 8843201682 under Clause 6.5 of the U.P. Electricity Supply Code, 2005, and to restore supply disconnected on 15 April 2026 for non-payment of the disputed bill, allegedly without deciding his objection. Pashchimanchal Vidyut Vitran Nigam Limited raised the alternative remedy under Clause 6.5. The petitioner did not dispute that objection and stated he had already applied to the Executive Engineer at Meerut, the competent authority under the clause.
