FACTUAL SUMMARY

Spencer Retail Limited assailed a bill dated 07.05.2025 in a writ petition before the Allahabad High Court. Though the bill was challenged on various grounds, counsel confined the prayer to benefits under Clause 6.14 of the UP Electricity Supply Code, 2005, seeking sympathetic consideration of an installment application. Counsel for the electricity department did not oppose, and stated that if the petitioner deposited 10% of the entire amount, installments would be considered and electricity would be restored.
