

Smt. Kalpna Khanna v. State of U.P.

High Court of Judicature at Allahabad · Single Judge · 3 January 2011 · Application u/s 482 No. 39741 of 2010 ·
Interim stay of coercive action; listed with connected 482

HEADNOTE

On a Section 482 CrPC application to quash a pending electricity-theft trial, the applicant argued that Clause 8.1(b)(ii) of the Electricity Supply Code, 2005 bars booking theft for mere meter-seal breakage and that a Junior Engineer was not competent to lodge the Section 135 FIR. The High Court granted time for affidavits, directed listing with a connected 482 application, and stayed coercive action till the next date of listing, without deciding the merits.

FACTUAL SUMMARY

Smt. Kalpna Khanna sought quashing of Special Sessions Trial No. 57/2006 before the Special Judge, E.C. Act, Moradabad. The allegation was that the energy meter's seal was found tampered (broken). She argued that Clause 8.1(b)(ii) of the Electricity Supply Code, 2005 bars booking theft for mere breakage of window glass or an old seal, so no FIR could be lodged, and that a Junior Engineer had lodged it though a 5 October 2004 Government Order confined Section 135 competence to the Assistant Engineer.
