

Prem Kishore Mehrotra v. State of U.P.

Allahabad High Court · Division Bench · 9 August 2010 · Writ-C No. 46443 of 2010 · **Writ disposed; consider tenant connection subject to formalities**

HEADNOTE

A tenant's shop-connection application was not accepted for want of landlord NOC. Invoking para 4.4 read with Annexure 4.2 of the U.P. Electricity Supply Code, 2005, he sought mandamus to install supply. On the licensee's stand that a re-submitted application with a certified copy of the order would be accepted, formalities intimated within ten days, and connection installed on completion of those formalities, the Court disposed of the writ directing the respondents to consider grant of connection subject to fulfillment of all necessary requirements.

FACTUAL SUMMARY

The petitioner, a tenant of shop no. 308, Rani Mandi, Allahabad, applied on 15 July 2010 for an electricity connection. The distribution licensee refused to accept the application because the landlord had not given a no-objection certificate. A tenancy dispute with the landlord was pending. The petitioner contended that, absent landlord NOC, connection could still be granted under paragraph 4.4 read with Annexure 4.2 of the U.P. Electricity Supply Code, 2005, and that he was ready to complete all formalities.
