

# Sant Swaroop v. Dakhinanchal Vidyut Vitran Nigam Ltd.

High Court of Judicature at Allahabad · Division Bench · 11 May 2012 · Writ-C No. 23161 of 2012 · **Writ dismissed; relegated to Executive Engineer under clause 6.5(b).**

## HEADNOTE

A consumer disputing arrears shown from 2001, though his 7.5 kW connection was energised only in 2004, was held to have a statutory alternative remedy before the Executive Engineer under clause 6.5 of the U.P. Electricity Supply Code, 2005. The writ was dismissed, with a direction that any complaint be decided under clause 6.5(b) within seven days on the prescribed deposit.

## FACTUAL SUMMARY

Sant Swaroop was sanctioned a 7.5 kW connection in 2001, but it was installed and energised only in 2004. He says he paid bills regularly thereafter, yet Dakhinanchal Vidyut Vitran Nigam Ltd. showed arrears from 2001. He sought correction by writ without annexing any representation to the Executive Engineer. The bills themselves told a consumer with a billing dispute to approach the Divisional Office, then the Consumer Grievance Redressal Forum and the Ombudsman.
