

Salig Ram Gupta v. State of U.P. (KESCO bill recovery)

High Court of Judicature at Allahabad · Division Bench · 12 April 2016 · Writ-C No. 13924 of 2016 · **Writ disposed; relegated to cl. 6.5(b); recovery stayed.**

HEADNOTE

A consumer disputing the accuracy of a bill on which recovery has been initiated must complain under clause 6.5(b) of the U.P. Electricity Supply Code, 2005; the writ court will not try those disputed facts. The petition was disposed of with one week to complain and two weeks for the authority to decide, recovery stayed for four weeks or until the complaint is decided, and supply to be restored forthwith on deposit.

FACTUAL SUMMARY

The petitioner, a consumer of Kanpur Electricity Supply Company, challenged recovery of alleged outstanding electricity dues and the correctness of the bill. On the first listing the Court noted serious allegations against KESCO employees and directed production of original records. An SDO produced the file, which showed a provisional assessment of Rs 1,22,696 without any date fixed for personal hearing. Recovery proceedings had already been initiated on that assessment.
