

Izharul Hauque v. State of U.P.

Allahabad High Court · Division Bench · 24 February 2016 · Writ - C No. 8370 of 2016 · **Notice issued on the challenge to the vires of clause 4.3(f)(v); interim order restraining enforcement of the recovery citation against the petitioner-Director, without restraining recovery against the company; matter listed for hearing.**

HEADNOTE

In a challenge to the vires of clause 4.3(f)(v) of the U.P. Electricity Supply Code, 2005 — which requires that recovery of a defaulting company-consumer's electricity dues be ensured from its Directors — the Court held that the issue required consideration, issued notice to the Advocate General, and by interim order restrained enforcement of the recovery citation against the petitioner-Director while leaving recovery against the company (the seventh respondent) unaffected. The order is interlocutory; the vires question was not decided.

FACTUAL SUMMARY

A recovery citation dated 1 January 2016 was issued by the Tehsildar, Khatauli (District Muzaffarnagar) for Rs.2,12,40,204 in electricity dues against both the seventh respondent — a private limited company that was the consumer under the supply agreement — and the petitioner, Izharul Hauque, a Director of that company. The petitioner challenged clause 4.3(f)(v) of the U.P. Electricity Supply Code, 2005, under which recovery from the Directors of a company-consumer must be ensured, as ultra vires the Electricity Act, 2003, contending that the definition of 'consumer' in s.2(15) does not permit recovery against Directors.
