

Nagendra Singh v. State of U.P. (theft demand; billing officer and Clause 6.14)

Allahabad High Court · Division Bench · 24 August 2017 · WRIT - C No. - 38178 of 2017 · **Writ disposed; respondent no.3 to examine dues and consider Clause 6.14.**

HEADNOTE

On a writ challenging harassment despite alleged full payment of bills, where the recovery notice rested on alleged electricity theft, the Court did not quash the demand. It directed the consumer to approach respondent no.3, the officer empowered under the U.P. Electricity Supply Code, 2005 to look into billing grievances. If dues were found cleared, appropriate directions were to issue; if any dues remained, payment could be facilitated under Clause 6.14 in accordance with law.

FACTUAL SUMMARY

Nagendra Singh petitioned the Allahabad High Court alleging that he had paid all electricity bills and that nothing remained due, yet the respondents continued to harass him. The recovery notice on record was founded on alleged electricity theft. He relied on a 12 April 2017 judgment in Writ Petition No. 12748 of 2017 to contend that assessment had not been carried out under the U.P. Electricity Supply Code, 2005 read with the U.P. Electricity Act, 2003, and produced receipts as Annexure 1 to show deposits against billed amounts.
