

M/s Nourishing Food (Pvt.) Limited v. State of U.P.

Allahabad High Court · Division Bench · 8 February 2017 · WRIT - C No. 5802 of 2017 · **Writ disposed; HV-1/HV-2 billing dispute relegated to clause 6.5.**

HEADNOTE

Writ against PVVNL's communication billing a Ghaziabad multiplex under HV-1 instead of HV-2 disposed of by relegating the petitioner to Clause 6.5 of the Electricity Supply Code, 2005. The Court did not decide whether a 22 May 1999 industrial-status notification required industrial billing. Any clause 6.5 objection is to be decided in accordance with law, preferably within three months; deposits abide that decision.

FACTUAL SUMMARY

The petitioner set up a multiplex in Ghaziabad. It challenged a 7 September 2016 communication of the Executive Engineer, Electricity Urban Distribution Division-V, Paschimanchal Vidyut Vitran Nigam Limited, Ghaziabad, that billing for the multiplex complex would be under HV-1 instead of HV-2, and a bill was raised on that basis. Counsel submitted that a 22 May 1999 State Government notification conferred industrial status on multiplex halls, so the petitioner should be treated as an industry and not as a commercial organisation.
