

Istiyak v. Superintendent Engineer, E.D.D., P.V.V.N.L. Amroha

High Court of Judicature at Allahabad · Division Bench · 10 January 2018 · Writ - C No. 1243 of 2018 · **Writ disposed; apply under Clause 4.44 for mutation**

HEADNOTE

A tube-well connection mutated in the petitioner's name after his father's death was later set aside by the Executive Engineer. The High Court did not restore the connection on the writ. Transfer of connection and mutation of name must be sought by application under Clause 4.44 of the Electricity Supply Code, 2005; the prescribed authority is to decide that application by a reasoned speaking order, following the prescribed procedure, expeditiously.

FACTUAL SUMMARY

A tube-well electricity connection stood in the name of the petitioner's father, Lakhan Khan. After his death the petitioner applied for transfer, claiming all legal heirs had consented, and the connection was mutated in his name. A brother, Mustak, then moved a Section 156(3) CrPC application alleging the transfer was without his consent; it was rejected. Meanwhile the Executive Engineer, by order dated 3 July 2017, set aside that mutation. The petitioner sought restoration of the connection in his name.
