FACTUAL SUMMARY

Dharam Singh challenged a citation of recovery dated 27 April 2018 by which electricity dues on account of alleged theft, after a provisional assessment, were sought to be recovered. He pleaded that he was never put to notice and that neither provisional nor final assessment had been carried out under Clause 6.8 of the U.P. Electricity Supply Code 2005. Counsel for the electricity department submitted that notices had been dispatched. After an adjournment for instructions, the Division Bench heard the writ on 21 May 2018.

HOLDING

Where a recovery citation for alleged theft dues after provisional assessment was challenged as issued without notice or Clause 6.8 assessment procedure, the Court did not examine whether the Code had been followed. It directed the petitioner to file his objection before the Executive Engineer (respondent no. 3) within ten days, the EE to examine the claim and pass an appropriate order within three weeks thereafter, and the recovery proceedings to abide that order, and disposed of the writ. ¶ 1
