

Azijurrahman v. State of U.P.

Allahabad High Court · Division Bench · 8 April 2019 · WRIT - C No. 11494 of 2019 · **Writ disposed; consumer relegated to Executive Engineer under clause 6.5.**

HEADNOTE

On a challenge to electricity arrears of Rs 3,60,000 after alleged permanent disconnection, the High Court did not decide the merits. It disposed of the writ by relegating the consumer to a comprehensive representation before the Executive Engineer under clause 6.5 of the U.P. Electricity Supply Code, 2005, and stayed coercive recovery of the disputed amount pending that decision, with recovery to proceed if no representation was filed in time.

FACTUAL SUMMARY

The petitioner, Azijurrahman, approached the Allahabad High Court against a demand of Rs 3,60,000 as arrears of electricity dues. He contended that his supply had been permanently disconnected on 21 November 2017, yet the demand was still raised. Counsel for the distribution licensee submitted that although there was a report of permanent disconnection, no certificate had been issued, so the connection remained in existence, and that several electricity bills were in dispute, which the Executive Engineer could resolve.
