

Zuberi Fibers Private Limited v. State of U.P.

High Court of Judicature at Allahabad · Division Bench · 17 January 2019 · Writ-C No. 1286 of 2019 · **Writ disposed; EE to consider 6.14 installments and 6.5 bill correction.**

HEADNOTE

A writ seeking quash of a recovery citation for electricity arrears and correction of bills was disposed without a merits decision. The Executive Engineer was directed to consider an installment proposal under clause 6.14 of the Electricity Supply Code, 2005, keeping the citation in abeyance if the consumer applied by the stipulated date; and, if 40% of the citation amount was deposited with an undertaking for the balance as decided under 6.14, to consider bill-correction grievances under clause 6.5. Collection charges were not to be recovered if those conditions were met.

FACTUAL SUMMARY

Zuberi Fibers Private Limited challenged a recovery citation dated 14 December 2018 issued by the collector for Rs. 2,96,29,235 towards electricity arrears of Dakshinanchal Vidyut Vitran Nigam Limited, Aligarh, and sought correction of its electricity bills. The company pleaded financial distress, said it could not deposit the entire sum at once, and stated that Rs. 70 lacs had already been paid. It invoked clause 6.14 of the Electricity Supply Code, 2005 for installments. Licensee counsel did not object to examining bill-correction grievances if amounts were deposited against the citation.
