

Shital Prasad Sahu v. State of U.P. — UUE recovery citation relegated to para 6.8

High Court of Judicature at Allahabad · Division Bench · 24 January 2019 · Writ - C No. 2664 of 2019 (Allahabad) · Writ - C No. 2664 of 2019 · **Writ disposed; petitioner directed to Executive Engineer under para 6.8; recovery stayed pending that decision.**

HEADNOTE

A writ to quash a recovery citation founded on a provisional assessment for unauthorized use of electricity (domestic LMV-1 load found used as commercial LMV-2) is not decided on merits. The consumer's remedy is to approach the Executive Engineer under para 6.8 of the U.P. Electricity Supply Code, 2005. The Engineer must consider fresh objections after a hearing and decide in accordance with law; meanwhile, subject to the consumer appearing as directed, recovery remains in abeyance. An objection annexure bearing no receiving of any authority is disbelieved.

FACTUAL SUMMARY

Shital Prasad Sahu, a domestic (LMV-1) consumer served by Dakshinanchal Vidyut Vitran Nigam in District Banda, sought quashing of a recovery citation dated 21 December 2018 for Rs 40,882 as electricity arrears. The demand originated in a 25 August 2015 provisional assessment of Rs 40,852 after a spot inspection found 1 kW commercial (LMV-2) use against a sanctioned 1 kW domestic load. He claimed he had filed objections on 3 September 2015; the High Court disbelieved that annexure because it bore no receiving of any authority.
