

Raj Bahadur Yadav v. State of U.P.

Allahabad High Court · Division Bench · 16 September 2019 · WRIT-C No. 28201 of 2019 · WRIT - C No. 28201 of 2019
· **Writ disposed of; relegated to s.127 appeal and cl. 6.14 instalments.**

HEADNOTE

A final assessment of electricity dues, treated as final after a registered-post provisional assessment went unobjected, is appealable under Section 127 of the Electricity Act, 2003. A writ challenging the ensuing recovery citation is disposed of in view of that alternate remedy. The consumer may still seek instalments under clause 6.14 of the U.P. Electricity Supply Code, 2005; the Executive Engineer must consider any such application, and conditional release of seized property, in accordance with law.

FACTUAL SUMMARY

Raj Bahadur Yadav challenged a recovery citation dated 22 June 2019 for Rs 4,53,271 as electricity dues, contending that recovery had issued without service of the provisional assessment. Counsel for the distribution licensee submitted that the provisional assessment based on the checking report had been sent by registered post; no objections were raised and it was treated as final by order dated 15 May 2019, which the petitioner himself had annexed. A tractor of the petitioner had also been taken in the recovery process.
