

Sudha Kashmiri v. Executive Engineer, Electricity Distribution Centre

High Court of Judicature at Allahabad · Division Bench · 29 April 2016 · Writ-C No. 19444 of 2016 · Writ-C No. 19444 of 2016 · **Notices quashed; fresh final assessment after objections.**

HEADNOTE

A provisional assessment notice under Clause 6.8(b) of the U.P. Electricity Supply Code, 2005 that neither specifies a date for hearing nor discloses the basis of the assessed amount is not in accordance with law. The consumer is not afforded the opportunity the clause requires; such notices are liable to be quashed and a fresh final assessment made after considering objections, with reasons.

FACTUAL SUMMARY

Smt. Sudha Kashmiri challenged notices dated 2 November 2015 and 31 March 2016 issued by the distribution licensee. She said she never received the provisional assessment notice, could not reply, and the licensee treated the assessment as final and issued a recovery certificate for Rs.36,448. Counsel undertook to file objections within two weeks and argued that Clause 6.8(b)(1) of the U.P. Electricity Supply Code, 2005 required the notice itself to fix a date for hearing.
