Hon'ble Dilip Gupta,J.

Hon'ble Jayant Banerji,J.

The petitioner is basically aggrieved by the bills that have been raised by the respondent-department for the electricity that has been consumed by the petitioner. However, it transpires from the averments made in the writ petition that a general statement regarding the grievance of the persons residing in the village has been raised.

We are, therefore, not inclined to entertain the petition as it has not been filed in Public Interest. However, the grievance of the petitioner can be examined under the provisions of the Uttar Pradesh Electricity Supply Code, 2005 (hereinafter referred to as 'the Code').

The writ petition is, accordingly, disposed of with liberty to the petitioner to avail the remedy provided for under the aforesaid Code.
