Court No. - 2

HON'BLE J.J. MUNIR, J.

HON'BLE INDRAJEET SHUKLA, J.

1. Heard Mr. Arun Mishra, learned counsel for the petitioner and Mr. Rakesh Kumar Mishra, Advocate holding brief of Sri Narendra Kumar Tiwari, learned counsel for the sole respondent.

2. The petitioner is a persistent and pathogenic defaulter. His electricity connection was sanctioned with 2 KW load on 20.10.1993 and according to finding of the respondents from 20.10.1993 till December, 2006 when the connection was disconnected he has not paid any dues whatsoever.

3. Now that he is faced with an electricity bill worth Rs.3,55,671/- for the arrears of electricity consumed and fixed charges, he has come up challenging the order dated Nil annexed at Annexure No.4 to the writ petition, by which, the petitioner's claim has been partly accepted by the Executive Engineer, Electricity Distribution Division Karela Bag Prayagraj and his bill reduced to Rs.3,55,671/-, which includes arrears of charges for the electricity consumed as well as fixed charges. This was directed to be deposited within 15 days of receiving the order. The date of order is not known.

4. The petitioner has argued that no interest can be charged since his claim for revision of the bill was found valid. He has relied upon clause 6.5 of the U.P. Electricity Supply Code, 2005. Clause 6.5 (b)(i) of the U.P. Electricity Supply Code makes a very small allowance, in case of revision of bills on the consumer's objection, granting seven days to make payment during which, there would be no late payment surcharge.

5. The petitioner's case is nothing like that. The petitioner has already been noted to be a persistent defaulter. We are not minded to interfere in the matter. Accordingly, this writ petition is **[dismissed]**.
