1. Heard.

2. Admittedly, there are dues on the premises in question where a new electricity connection has been sought by the petitioner. The premises were earlier occupied by some other person. Therefore, unless the dues are cleared, new electricity connection cannot be granted in view of Para 4.4 of the U.P. Electricity Supply Code, 2005. Moreover, counsel for the opposite parties says that the petitioner has herself given in writing that her tenant had committed the theft.

3. This is not a fit case for interference under Article 226 of the Constitution of India. Petitioner may avail other remedies, if any.

4. The writ petition is ***disposed of***.
