Hon'ble Dr. Satish Chandra,J.

The petitioner contends that on account of non payment of dues the Electricity Department disconnected the connection on 31st May, 2013. The petitioner further contends that his electricity connection was restored upon making the payment on 24th July, 2014. The petitioner has now received a bill for the period 31st May, 2013 to 24th July, 2014 and has filed the present writ petition contending that since the electricity was disconnected by the Electricity Department, he is not liable to make any payment. We find that the petitioner has raised an objection with regard to the correctness of the bill sent by the Department.

We, accordingly dispose of the writ petition directing the competent authority to pass appropriate orders and correct the bill, if required, under Para-6.5 of the Electricity Supply Code, 2005 within four weeks from the date of production of a certified copy of this order.
