

M/s Bharti Retail Ltd. v. State of U.P.

High Court of Judicature at Allahabad · Division Bench · 4 June 2012 · Writ-C No. 29231 of 2012 · **Writ disposed; licensee to specify formalities and decide the 65 KW sanction in accordance with law, merits left open.**

HEADNOTE

Without deciding whether M/s Bharti Retail Ltd. was entitled to a 65 KW connection, the High Court disposed of the writ by directing the petitioner to file a fresh representation, the licensee to state remaining formalities within a week, the petitioner to complete them in ten days, and the licensee then to decide the sanction application in accordance with the U.P. Electricity Supply Code, 2005.

FACTUAL SUMMARY

M/s Bharti Retail Ltd. sought sanction of a 65 KW load for its premises at Khasra No. 54/1M, Mandaiyan Nagar Bagh, Tehsil Sadar, Rampur. It alleged that the distribution licensee had not sanctioned the connection in accordance with the U.P. Electricity Supply Code, 2005, and that the delay was disrupting day-to-day working. The writ sought a direction to respondent no. 3 to pass an appropriate order on the pending application. Counsel for the Power Corporation asked for a short time to consider the claim.
