Heard learned counsel for the petitioner and learned counsel for the opposite parties.

The petitioner in essence raises a billing dispute pertaining to the bills raised by the opposite parties prior the April, 2025 which are to be tune of Rs.12,39,271/-.

The impugned order merely says that if the bills aforesaid are cleared and dues paid, then, the off season benefit would be made available to the petitioner for the period 01.04.2025 to 30.09.2025.

We see no reason to interfere with the impugned order, as, the billing dispute can not be seen by us. The petitioner may avail the remedies prescribed in law in this regards. Once resolved, then, approach the Authorities for the off season benefit in terms of the impugned order.

If any application is filed before the Executive Engineer concerned in terms of Para 6.5 of the Electricity Supply Code, 2005 or it has already been filed and is pending, then, the same would be considered and decided as per law within a period of six weeks.

With the aforesaid observations/directions, the writ petition is **disposed of.**
