

Rambali v. State of U.P.

Allahabad High Court · Division Bench · 27 February 2025 · 2025:AHC:27381-DB · WRIT - C No. 4766 of 2025 · **Writ disposed; representation under cl. 6.5 to be decided in one month.**

HEADNOTE

A demand notice of Rs.1,03,226 on a connection alleged to have been disconnected in 1994 is to be objected before the Executive Engineer under Clause 6.5 of the U.P. Electricity Supply Code, 2005. The writ is disposed with a time-bound direction to consider the representation.

FACTUAL SUMMARY

Petitioner Rambali challenged a notice issued by the electricity authorities directing deposit of Rs.1,03,226 against Connection No. 5974069000. He contended that the connection had been disconnected in 1994 and that the bills were therefore erroneous. The Electricity Department submitted that the grievance had an efficacious remedy before the Executive Engineer under Clause 6.5 of the U.P. Electricity Supply Code, 2005. Counsel for the petitioner did not dispute that remedy.
