Allahabad High Court · Division Bench · 13 October 2011 · WRIT - C No. 58757 of 2011 · **Appellate authority directed to decide pending 6.8 appeal in 30 days.**

HEADNOTE

Where an assessment appeal under the U.P. Electricity Supply Code, 2005 has been filed, Clause 6.8(d)(V) obliges the appellate authority to decide it within thirty days by a speaking order. The Court directed the Divisional Commissioner, Bareilly, to hear the pending appeal with fullest opportunity and dispose of it by a reasoned speaking order within thirty days of communication.

FACTUAL SUMMARY

After an assessment and consequent disconnection, the petitioner's earlier writ was disposed of on 27 July 2011 with a direction to deposit the assessed amount or prefer an appeal. The petitioner filed an appeal on 24 August 2011, within thirty days of that order. The Divisional Commissioner, Bareilly, as appellate authority, neither entertained the appeal nor fixed a date for hearing, prompting this second writ.
