A grievance of incorrect electricity bill and disconnection is more appropriately examined by the third respondent under Clause 6.5 of the U.P. Electricity Supply Code, 2005. The writ is disposed with a direction to decide the claim within four weeks of approach with a certified copy, and to consider restoration of supply within a week of representation.

FACTUAL SUMMARY

Smt. Najma Bano invoked the writ jurisdiction of the Allahabad High Court against the State of Uttar Pradesh and three others. She complained that an incorrect electricity bill had been imposed and that her supply had been disconnected, and she sought interference with the bill and restoration of electricity. The Court took no evidence on the correctness of the bill or the legality of the disconnection, treating both as matters for the third respondent under the Supply Code.
