

Smt. Reeta Mishra v. State of U.P. and others

High Court of Judicature at Allahabad · Division Bench · 7 October 2025 · Writ-C No. 35114 of 2025 · **Writ disposed of; remanded to Assessing Officer under Clause 6.8 subject to deposit of Rs. 35,000.**

HEADNOTE

Where compliance with assessment procedure is unclear and the consumer alleges no hearing before creation of an electricity demand, the High Court may dispose of the writ by directing, subject to a part-deposit, that the Assessing Officer decide the objection under Clause 6.8 of the U.P. Electricity Supply Code, 2005 by a reasoned order after personal hearing and confrontation with adverse material.

FACTUAL SUMMARY

Smt. Reeta Mishra challenged a recovery citation dated 22 July 2025 seeking to recover Rs. 1,52,145 towards electricity dues. She alleged that no opportunity of hearing was given before the demand was created. The Court noted that it was not clear whether the assessment procedure had been fully complied with, and saw no useful purpose in keeping the petition pending or calling for a counter affidavit.
