

Indra Pratap Singh v. State of U.P.

High Court of Judicature at Allahabad · Division Bench · 8 August 2014 · Writ-C No. 40916 of 2014 · **Writ disposed; EE to consider transfer under clause 4.44(g).**

HEADNOTE

A writ seeking transfer of a tube-well electricity connection after chak allotment was disposed of with a direction that the Executive Engineer examine the request under clause 4.44(g) of the Electricity Supply Code, 2005 and pass an order in accordance with law, preferably within three months, if there is no other legal impediment.

FACTUAL SUMMARY

The petitioner, a tenure holder, claimed that a tube-well had been allotted in his chak by a Deputy Director of Consolidation order partly in his favour, that he was running the tube-well and depositing electricity bills, and that he was therefore entitled to have the connection transferred in his name. A separate writ (Writ Petition No. 59204 of 2012) challenging the consolidation order remained pending. He sought a mandamus to the Executive Engineer to pass orders on the transfer.
