HEADNOTE

Recovery citation for electricity dues on a connection not in the petitioners' names, with an objection pending before the Collector, was not decided on merits. The High Court directed the petitioners to apply to the Executive Engineer under clause 6.5 of the U.P. Electricity Supply Code, 2005, and that authority to consider and decide the application within two weeks of production of a certified copy of the order.

FACTUAL SUMMARY

A recovery citation was issued for electricity dues on a connection that was not in the petitioners' names. Lala Ram and another approached the Allahabad High Court after they had filed an objection before the Collector, which remained pending, while the respondents continued with recovery. They sought a writ against that recovery on the footing that the dues did not relate to a connection standing in their names.
