

Ramesh Chandra Singh v. State of U.P.

Allahabad High Court · Division Bench · 11 July 2019 · Writ-C No. 21946 of 2019 · **Writ dismissed; billing objection relegated to Clause 6.5.**

HEADNOTE

A writ challenging an electricity demand notice is not entertained where the petitioner has the Clause 6.5 objection remedy before the Executive Engineer, and still less where the petition confuses a tubewell demand with a later, independent domestic connection.

FACTUAL SUMMARY

Ramesh Chandra Singh challenged a 20 April 2018 notice of the Executive Engineer, Dakshinanchal Vidyut Vitran Nigam Limited, Hathras, demanding Rs. 60,728 as electricity charges. He contended that his connection was installed only on 5 May 2015, yet the demand ran from 2006 when he had applied for sanction. The licensee showed two independent connections in his name: a tubewell supply, to which the impugned notice related, and a domestic connection installed on 5 May 2015.
