There appears to be a billing dispute in respect of the electricity dues demanded from the petitioner. Various factual issues raised by the petitioner, in that regard, would not be entertained by this Court, at the first instance.

In the facts of the present case, we permit the petitioner to approach the competent forum in respect of the disputed amount by filing proper claim in terms of Clause 6.5 of the U.P. Electricity Supply Code, 2005. It goes without saying that if such claim is raised before the competent forum, appropriate decision would be taken expeditiously, in accordance with law.

Accordingly, the writ petition is consigned to records.
