FACTUAL SUMMARY

M/s Bharti Flour Mills faced outstanding electricity dues and had already filed Writ Petition No. 14657 of 2016. An interim order there permitted it to deposit part of the amount demanded, on condition that it continue to pay future bills regularly. By this second writ against the Executive Engineer, Electricity Distribution Division, Meerut, the mill questioned bills for subsequent periods on technical grounds, including that the date of deposit had not been correctly mentioned. The earlier writ stood dismissed in default.
