

Ram Naresh @ Ram Rahees Singh v. State of U.P.

High Court of Judicature at Allahabad · Division Bench · 1 May 2024 · 2024:AHC:77834-DB · Writ-C No. 14308 of 2024
· **Writ disposed of as infructuous; fresh assessment per Supply Code.**

HEADNOTE

A writ against a theft-of-electricity final assessment becomes infructuous where the licensee withdraws the order and grants a fresh opportunity of objections. Any fresh final assessment must be passed strictly in accordance with the procedure prescribed under the U.P. Electricity Supply Code, 2005.

FACTUAL SUMMARY

The petitioner challenged an order dated 9 March 2024 of respondent no. 4 making a final assessment in a case of alleged theft of electricity and requiring him to deposit the assessed amount within fifteen days. Counsel for the Electricity Department stated that the impugned order had been withdrawn and that the petitioner had been granted a fresh opportunity to file objections, after which a fresh order would be passed.
