

Jeetu @ Jeet Singh v. State of U.P.

High Court of Judicature at Allahabad · Division Bench · 5 September 2016 · WRIT - C No. 41720 of 2016 · **Writ disposed of; half deposit; authority to decide objection.**

HEADNOTE

A writ court will not try an electricity assessment demand under Article 226 where the consumer has already filed a detailed objection. Deposit of half the demanded amount is the condition on which the authority is to decide that objection within three months.

FACTUAL SUMMARY

The petitioner's father took a 7.5 HP tubewell connection and paid the bills until his death in 2010; the petitioner then continued payment. A 30 September 2014 notice demanded Rs 78,360. After a reply, a 13 March 2015 demand claimed Rs 78,385, which the petitioner answered on 27 March 2015. He sought quashing of that demand as issued without a finalized assessment and only on a Junior Engineer's FIR. The licensee said the 2005 Supply Code gave a remedy to challenge the assessment.
