

S.N. Singh v. State of U.P.

High Court of Judicature at Allahabad · Division Bench · 24 January 2019 · WRIT - C No. 2679 of 2019 · **Writ dismissed as not maintainable while CGRF seized; Forum directed to decide the pending para 7.10 application expeditiously.**

HEADNOTE

A writ seeking quashing of an electricity demand is not maintainable where the consumer is already pursuing a paragraph 7.10 Supply Code, 2005 complaint before the Consumer Grievance Redressal Forum for the same bill. The Division Bench dismissed the petition as a parallel proceeding and directed the CGRF, Kanpur, to decide Case No. 2 of 2019 in accordance with law, preferably within two months.

FACTUAL SUMMARY

S.N. Singh filed a writ petition in the Allahabad High Court seeking quashing of a demand notice dated 4 December 2018. He disputed electricity bills issued to him from time to time and contended that a bill of Rs. 12,84,859 was highly inflated. He had already, on 14 January 2019, applied under paragraph 7.10 of the Electricity Supply Code, 2005 to the Consumer Grievance Redressal Forum, Kanpur, where the grievance was registered as Case No. 2 of 2019, and was pursuing that remedy.
