

Paschimanchal Electricity Distribution Division E.D.D. Iind v. State of U.P.

Allahabad High Court · Single Judge · 29 March 2018 · Writ-C No. 11515 of 2018 · **Notice issued; Permanent Lok Adalat restoration order stayed till next listing.**

HEADNOTE

On a distribution licensee's writ against a Permanent Lok Adalat order restoring supply after disconnection for non-payment, the High Court issued notice and stayed that restoration till the next listing, because the plea that Clause 6.5 of the Electricity Supply Code, 2005 made the claim unmaintainable without deposit of the billed amount required consideration.

FACTUAL SUMMARY

The petitioner distribution licensee challenged a Permanent Lok Adalat order dated 24 January 2018 directing restoration of supply after a temporary disconnection for non-payment of bills. Counsel submitted that the Permanent Lok Adalat had not found whether previous bills were paid, and that under Clause 6.5 of the Electricity Supply Code, 2005 a claim petition was not maintainable without depositing the billed amount, so restoration without ensuring that deposit was illegal.
