

Rajendra Singh v. State of U.P.

Allahabad High Court · Division Bench · 30 March 2017 · Writ-C No. 13457 of 2017 · **Writ disposed; petitioner left to invoke clause 6.5.**

HEADNOTE

A consumer disputing electricity bills, including bills said to have been raised before the date of a new connection, is to invoke Clause 6.5 of the U.P. Electricity Supply Code, 2005. The writ court will not decide the billing dispute on merits and will dispose of the petition leaving that remedy open.

FACTUAL SUMMARY

Rajendra Singh petitioned the Allahabad High Court against electricity bills. He said a new connection was given only in January 2017, but the department had billed him from 2014. Nothing on the record showed that he had taken a temporary construction connection on the plot. The Division Bench did not examine the bills or the alleged pre-connection supply on merits.
