

Suman Gupta v. Madhyanchal Vidyut Vitran Nigam Ltd.

Allahabad High Court · Division Bench · 25 May 2018 · WRIT - C No. 17939 of 2018 · **Writ dismissed; relegated to clause 6.5.**

HEADNOTE

A writ challenging disputed electricity dues is not maintainable. Where the consumer puts arrears at Rs 22,971 and the licensee at Rs 65,531, the quantum contest requires evidence and must be taken to paragraph 6.5 of the Electricity Supply Code, 2005 rather than extraordinary jurisdiction.

FACTUAL SUMMARY

Suman Gupta petitioned the Allahabad High Court against electricity dues demanded by Madhyanchal Vidyut Vitran Nigam Ltd. She claimed arrears of only Rs 22,971, while counsel for the licensee, on instructions, put the amount payable at Rs 65,531. An earlier listing had recorded dues of about Rs 65,000 and contemplated restoration of her connection if that sum were deposited, listing the matter for an out-of-court settlement. The Division Bench treated the quantum contest as requiring evidence.
