High Court of Judicature at Allahabad · Division Bench · 23 May 2016 · Writ-C No. 19536 of 2016 · Writ - C No. 19536 of 2016 · **Recovery certificate dated 29.02.2016 quashed; writ allowed.**

HEADNOTE

A recovery certificate issued without a prior provisional assessment, contrary to the mandatory procedure in clause 6.8(b) of the U.P. Electricity Supply Code, 2005, cannot be sustained and is liable to be quashed.

FACTUAL SUMMARY

The petitioner challenged a recovery certificate dated 29 February 2016 issued by the electricity authorities. He alleged that recovery had been started without a provisional assessment and without notice giving him a chance to object. On 29 April 2016 the Court stayed coercive action and called for instructions. At the final hearing, counsel for the distribution licensee fairly stated on instructions that no provisional assessment had been made before the recovery certificate issued.
