HEADNOTE

An assessment of electricity dues passed without giving the consumer an opportunity of personal hearing is violative of clause 6.8 of the U.P. Electricity Supply Code, 2005 and cannot stand. The assessment is set aside and the Assessing Authority must re-assess after hearing, within one month of production of a certified copy.

FACTUAL SUMMARY

Shri Mahavir Rolling Mills filed a writ petition in the Allahabad High Court challenging the Assessing Officer's order dated 7 December 2006 relating to electricity dues. The petitioner's principal complaint was that the procedure under clause 6.8 of the U.P. Electricity Supply Code, 2005 had not been followed and that no opportunity of personal hearing had been given before the assessment. The respondents' counter-affidavit indicated that the procedure had been followed to some extent, but it was not disputed that personal hearing had not been afforded before the assessment order.
