Heard learned counsel for the petitioner and Sri Baleshwar Chaturvedi for the respondents.

The petitioner admits having an electricity connection and also admits that there is some default in the payment of the electricity dues for which the prayer made in paragraph no. 12 is that the petitioner is ready and willing to deposit the amount but in some easy installments.

In view of this, there is no occasion for us to quash the recovery citation.

We direct the respondent no. 4, that in the event, the petitioner approaches the said respondent with a request to the said effect along with a certified copy of this order, the Executive Engineer shall proceed to pass an appropriate order extending the maximum relief that may be admissible and permissible in the facts and circumstances of the present case, keeping in view the grievance of the petitioner by passing an appropriate order within three weeks of the date of presentation of the certified copy of this order before him.
