The petitioner disputes the arrears of electricity dues. It is sought to be contended that there are actually no dues on the petitioner but a communication was served upon the petitioner that his supply has been temporarily disconnected with effect from 6 November 2015 for the reason that the dues of D.V.V.N.L. are pending against the petitioner. The petitioner has been asked to deposit Rs.1,35,727/- so that the supply can be restored. According to the petitioner, there are no dues.

This is a matter which can be raised by the petitioner under Clause 6.5 of the U.P. Electricity Supply Code, 2005. It will, therefore, not be appropriate for the Court to entertain this petition at this stage.

The writ petition is, accordingly, dismissed.
