Learned counsel appearing for the respondents submits that permanent disconnection could not be made as alleged in the year 2005 as no officer of a rank less than SDO is authorised to direct permanent disconnection in December, 2010. At the time of inspection the lines were not found connected. The meter was found installed. It was removed and that bills were prepared, sent on the readings in the meter, with minimum charges.

Let the counter affidavit be filed within two weeks. The rejoinder will be filed within two weeks, thereafter.

List on 7th July, 2011.

Prima facie we find substance in the contention of learned counsel for the petitioner that where permanent disconnection dated 8.4.2005 is not made by the competent authority, it has to be treated as temporary disconnection, and in such case the outstanding bill on the date of temporary disconnection and six months minimum charges in accordance with Clause 4.37 of the Electricity Supply Code, 2005 can be charged. Clause 4.37 provided as follows:-

"4.37. (a) The Licensee shall, after a connection is temporarily disconnected, bill a consumer on minimum charges, and also issue a notice, as per format given in Annexure 4.9, to the consumer, to remove the cause of disconnection failing which, the supply shall be disconnected permanently after six month. Such connections shall be treated as dormant connections (awaiting final account), and the billing shall be stopped after carrying out inspections and duly informing the consumer, and final account of the consumer shall be prepared.

(b) Wherever licensee discovers that connection has been re-connected unauthorisedly after temporary disconnection, licensee may initiate action as per provisions of Section 138 of the Act."

As an interim measure, we provide that in case the petitioner pays the entire amount due in the bill upto the period 8.4.2005, and the minimum charges for six months after 8.4.2005, with interest,

within one month, the revised provisional bill shall be prepared and given to the petitioner within 15 days. Until then the recovery under fresh demand under challenge shall remain stayed. In case of default, the interim order shall stand vacated.
