Hon'ble Amreshwar Pratap Sahi,J.

Hon'ble Vivek Kumar Birla,J.

The petitioner wants the electricity line, which is being installed in a colony, to be altered on account of it being hazardous to the residence of the petitioner.

Learned counsel for the petitioner submits that the petitioner's objection can be inspected and considered in terms of Clause 4.5 (d) of the Electricity Supply Code, 2005 but inspite of objection being raised the line is being forcefully installed.

It appears that the line is being installed for a colony for which a permission has been granted by the Corporation.

The respondent no.6 is the President of the said colony.

We find that such a grievance can be raised by the petitioner before the respondent no.4 who shall proceed to examine the said grievance of the petitioner and then pass appropriate orders in relation to the installation of the said line.

The writ petition is **disposed of** with the said directions.
