The petitioner contends that a recovery citation had been issued towards electricity dues against the connection number which is not in the petitioner's name and in this regard has filed an objection before the Collector which is pending consideration. On the other hand, the respondents are proceeding to recover the amount.

We are of the opinion that the petitioner may file an application before the Executive Engineer under Para-6.5 of the Electricity Supply Code, 2005. If such an application is filed, the authority concerned will consider and decide the matter within two weeks from the date of production of a certified copy of this order.
