This petition for writ is before us to have a direction for respondents to recover due electricity consumption bill in easy instalments. Pertinent to mention that as per clause 6.14 of the Electricity Supply Code, the licensee may extend the facility of instalments to those consumers who are in financial distress. The petitioner before approaching this Court has not made any request to the licensee to have such indulgence.

In view of it, the writ petition is disposed of with a direction to the licensee that if the petitioner submits any application as per clause 6.14 before it within a period of two weeks from today, the same be considered sympathetically.

The writ petition stands disposed of accordingly.
